

Fleischmann  
Office Interiors

## Announcing our new website.

### A SUCCESSFUL COLLABORATION

Having helped to plan and furnish offices and public spaces going on 20 years, we are keenly aware that every little detail counts.

Fleischmann Office Interiors is proud to announce the launch of our new site. Taking our unique detail philosophy to heart, we've prepared a site of services, products and industry information to better serve you.

And while you're learning all about us, be sure to check out our portfolio section – full of ideas and examples we can help you integrate into your project or space. Truly a product of detailed collaboration.

We invite you to explore. [foifurnishings.com](http://foifurnishings.com)

### AND JUST A QUICK LOOK AT WHO HELPED MAKE THIS ALL POSSIBLE.

**Graphiti Associates** is a small, boutique design firm located in Fremont. We combine a passion for powerful creative solutions with more than 20 years of brand experience to ensure our clients get the positive business results they need to succeed. We work with clients such as Costco, BECU, Pyramid Breweries, Speakeasy, and Getty Images to stand out in the marketplace through intelligent design.

**Peggy Dolane** is a freelance marketing writer and strategist offering traditional marketing expertise with a twist of web 2.0 savvy. She writes engaging web copy and blogs that are integrated with the rest of your marketing plan, uses social networking tools like Twitter and Stumble to get your copy seen, and shows you search engine strategies that don't cost a fortune to implement.

206.854.8619 [www.provientmarketing.com](http://www.provientmarketing.com)

**Keith Brofsky** has been an international commercial photographer for over twenty five years. His clients have included many prestigious Fortune 500 companies, including Microsoft, H&R Block, Hines, Holland America Cruises, and many others. Recently, Brofsky's work won recognition by Communications Arts, Advertising Photographers of America, and Photography Edition.
